Industrial Tour - Westcast Industries

Tonight's meeting will feature a tour of Westcast Industries of Paris which produces automotive components. We will have a look at their foundry operation and associated ventilation and safety systems. A representative of Westcast Industries will speak to us during dinner which, for this meeting only, will take place at Morgans on the Grand in beautiful downtown Paris (Paris Ontario that is)

Morgans on the Grand is located at 15 Grand River Street, Paris

From Hamilton take 403 to last Brantford exit. Take old Hwy. 2 to Paris. Turn left at the lights – Dundas Street in Paris. Cross the bridge over the Grand River, go around the corner and down the hill and you are there. Turn left on Mechanic Street and go into the parking lot behind the Cenotaph. Morgans is across the street on east side of Grand River Street. Green Front. Those of you in Kitchener and Guelph know how to get to Paris.

The executive and dinner meetings will take place at the same time as usual, just at a different location.

Message From The Editor

GOLF !!!!!

Got your attention?

Once again David Rasmussen, our Social Chair, has managed to secure a great venue for our annual golf tournament - Whirlpool Golf Course in Niagara Falls.

Tired of the same old golf shirt or hat or umbrella? Wait until you see what we have in store for you this year.

Get your entries in as soon as you can as this tournament sells out every year. An entry form is included below.

2000 - 2001 Meeting Schedule

This year's meeting schedule is summarised below. Except for some special events, all meetings will be held at the Pinetree Restaurant, 395 Centennial Parkway North (at the QEW), Hamilton. During the 5:00 PM to 6:00 PM Social Hour, a half hour "technical session" on the basics of a particular subject relating to our industry is presented. If a session sounds interesting to you, feel free to attend. Presentations are made by our members and this forum is open to all who wish to share his or her expertise. New products and/or services are presented informally via a "table top demonstration". After dinner, the main topic of the evening is presented by a "feature speaker". If you are interested in presenting a technical session, please contact George Robb. If you want to book the table top space to promote your product or service, or if you have a suggestion for a feature subject and/or speaker, contact John Pollock, George Robb, or any other member of the executive. There is a charge of \$ 75.00 for "Table Top" demonstration space, and this includes a business card ad for one month.
