## President's Report

Our May meeting featured a Refrigeration tour at Sleeman Breweries in Guelph, hosted by Mr. Jim Hickey. Thank you very much Jim – we look forward to seeing you again.

June's meeting will be our annual ASHRAE Hamilton Chapter Golf Tournament – being held at the Peninsula Lakes Golf Club. If you have not already done so, please contact David Rasmussen to register a foursome for this event. We have room available for you to enter and hope to close the course for our event with sufficient numbers. If you want to enter as a single or a two-some, please contact Dave as he still may be able to accommodate you. His email address is [dave@ventexcinc.com](mailto:dave@ventexcinc.com) or phone him at (905) 857-4700.

A special thank you to all of the membership and our Executive Committee for your continued support and generous volunteerism towards the ASHRAE Hamilton Chapter this year.

I hope to see you all on the course on June 10<sup>th</sup> and look forward to September when our regular Chapter activities resume.

Warmest regards.

Sincerely,

*Terry Fowler, P. Eng., LEED®AP, President 08/09*

## John Pollock Passes Away

Our Chapter is saddened to learn that John B. Pollock passed away on Sunday, May 24, 2009. John was a long-standing ASHRAE member and served on the executive of the Hamilton Chapter for a number of years. Our thoughts and prayers go out to his family.

## **Annual Golf Tournament**

Thanks to all who have signed up for our upcoming ASHRAE Hamilton Chapter Golf Tournament to be held at Peninsula Lakes Golf Club (Quarry and Hillside Course) on Wednesday June 10<sup>th</sup>. Our FIRST time ever at this course!

To date I have 76 confirmed for golf . . . way off our projected goal of 120. Peninsula Lakes has assured me that we will still run a shot-gun start at 1 pm SHARP so that everyone finishes at approximately the same time. If you are still interested in adding a foursome or twosome, please let me know ASAP.

We have a number of people who have never been to our tournament. Directions are included in this Airways Bulletin. When you enter the parking lot, there should be a bag drop area where a person will take your clubs to the correct cart. You **CANNOT** take your cart anywhere until the Marshall directs you to your start hole . . . mainly because the keys will be missing!

I will be sending the "contact name" listed on the entry form additional details regarding the hole they start at. Your scorecard will have your first hole highlighted for you. This is a scramble format meaning that, after each shot, you go to the best ball. Where it gets tricky is you must use 4 drives from EACH GOLFER (last year it was 3 and was too easy!). Any other rules will be given out on June 10<sup>th</sup>. To keep track of drives, please mark your score for the hole, next to the person whose drive you used.

Like last year, on **ALL PAR 3's**, if you hit and stay on the green, please write your name on the clipboard located next to the green (Tee shot only!) At the supper, one name from each Par 3 will win a prize.

Hole #6 on the Quarry Course will be our ASHRAE Research Hole. If you hit and stay on the green, you will win \$5. If you miss, your \$5 goes to ASHRAE Research. Please be courteous to George Menzies, who has

donated his time to be my "watchful eye". Also, like the other Par 3's, add your name to the clipboard. The Men's Longest Drive hole will be Quarry #7 and the Ladies Longest Drive hole will be Hillside #3.

**Special Thanks to our Hole Sponsors.** Further recognition will take place at the Supper. Look for the signs posted at the tee boxes. They are a huge part of the success of our Tournament and have helped keep our costs down.

During Supper, each Team will be called up to pick a gift card from the envelope. You'll either walk away with a \$10, \$20, \$30, \$40 card. Anyone wishing to donate a card or bring a prize for the Par 3 draws, please advise me ahead of time to ensure I have enough cards to go around.

**Don't show up late!** Allow enough time to unwind from your drive. Radar is rampant in that area. As part of your entry fee, you can hit as many golf balls **FREE** at the adjacent driving range.

See you on the Sunny 10<sup>th</sup>!
