Hamilton ASHRAE Chapter Annual Golf Tournament

Thank you to all that have signed up for our upcoming Golf Tournament to be held Wednesday, June 15th at Legends On The Niagara – Battlefield Course.

I have close to 120 players registered . . . if you have been undecided, please call me and I will see if I can get you assigned to a group (**Cell # (905) 975-8095**).

Again, it's a **1pm SHARP Shotgun Start**. I have a record 53 golfers new to our Tournament so, current Hamilton Chapter Members, please welcome these people . . . guess what, we **ALL** have a common bond in that all golfers are in the HVAC Industry, please don't treat them as an "outsider".

Don't be Late! Allow enough time to unwind from your drive. Radar is rampant enroute to the course, don't speed! As part of your entry fee, you can hit as many **FREE GOLF BALLS** as desired at the range. Or practise your putting (Trust me, these greens are like nothing you have seen before).

Directions are listed in this "Airways" as well as an address for your GPS.

I will be sending out key information regarding the day to the "Contact Name" on the Entry Form. Your Golf Card will have your 1st hole Yellowed out. It will be a Scramble Format, and EACH Golfer will be required to use 4 of their drives throughout the day.

NEW THIS YEAR- My first attempt at a LEADER BOARD. Hopefully this will work well, as Legends have helped "tweak" my idea. Don't expect your Team lit up with lights! You will see during my pre-start talk.

My patented "ClipBoard" idea has now spread to many ASHRAE Chapters. For those first timers to the Tournament, **On ALL PAR 3's**, if you hit and stay on the green (Tee Shot Only), please write your name on the clipboard located next to the green. During Supper, one name from each Par 3 will win a Prize. There is no closest to the hole.

Special Thanks to our Hole Sponsors. Further recognition will take place at the Supper. Look for the signs posted at the T Boxes. They are a huge part of the success of our Tournament and have helped keep our costs down.

During the Supper, each team will be called up to pick a gift card from the box. You'll win either a \$10, \$20, \$30, \$40 gift card. Anyone wishing to donate a gift card, please let me know ahead of time to ensure I have enough.

See you on the 15th!

Regional RVC Research & Social Chair 10/11*

Required Golf Attire

We are at a very prestigious Golf Course and they have told me how proud they are to have us return this year. Niagara Parks take a great deal of pride in how their course looks . . . and the people that play on them.

They have again asked me to make you aware of the following:

Shirts for Men and Women **MUST** have a collar.

Soft Spikes Only.

No Denim Pants, Shorts, Shirts.

No Cut-Off Shorts.

No Alcohol of any kind is allowed to be brought in. You will be kicked off the course . . . and your Alcohol will be

confiscated.

6. Anyone found wearing a Winter Coat will be laughed at and asked to go sit in their hot car with the windows rolled up!

Thanks for your continued co-operation.

Follow past the small town of Chippawa (I thought Delhi was small, wait till you pass thru this town!) Stay on this road, going straight through a set of stop lights, until it ends at the Niagara River. Veer to the right. You are now on Niagara Parkway. Follow for approximately 4km. The entrance is on the right.

Once you turn in, it is a good 1 km until you reach the bag drop area. Someone from Legends will stop your car and unload your clubs onto your cart (your name will be on a Master List). Proceed to the parking lot where a shuttle will bring you back to the clubhouse.

Watch for the number of blue signs along the QEW. They will also direct you to the course.

It is approximately 30km from the Garden City Skyway Bridge in St. Catharines to the Golf Course. **DO NOT take Hwy 405 toward Queenston Heights!** Once over the Bridge, stay to your right toward Fort Erie.

All else fails . . . type the following address into your GPS – 9561 Niagara Parkway, Niagara Falls, Ontario, L2E 6S6. For those who know the back way in, the address is 9172 Willoughby Drive, Niagara Falls. (If you go this way, you will arrive at Parking Lot and must carry your clubs to the clubhouse).

*Submitted by David Rasmussen, C.E.T.,
Regional RVC Research & Social Chair 10/11*

Legends on the Niagara has been informed that Mike Krewski, our Hamilton Chapter President, is concerned about "How tough the greens are at Legends"! They offer this solution, Mike, and hope it is to your liking.

Upcoming Hamilton ASHRAE Chapter Meetings

The September meeting is scheduled for **Tuesday, September 13th** (2nd Tuesday) at the Royal Hamilton Yacht Club. The feature speaker has yet to be confirmed.

ASHRAE News Releases

Proposed Operations and Maintenance Guideline from ASHRAE Open for Public Comment

ATLANTA – Many buildings with great designs fade from green to grey when operation and maintenance isn't carried out as intended, especially in regard to energy conserving systems.

Guide for Achieving Advanced Energy Savings Published by Industry Leaders

ATLANTA – Guidance to get you at least halfway to achieving net-zero energy design is now available from leading industry organizations in a new publication.

Call for Presenters

ASHRAE Announces High Performance Buildings Conference

ATLANTA – Building upon its 2009 Net-Zero Energy Conference, ASHRAE seeks to advance the industry's efforts to change the energy-use aspects of the built environment through its High Performance Buildings Conference: A Focus on Deep Energy Savings, March 12-13, 2012 in Mission Valley, CA.

ASHRAE Seeks to Reduce Heat Island Effect through Proposed Changes to Green Building Standard

ATLANTA – Requirements to reduce heat and subsequent energy use on building sites are proposed for the green building standard being developed by ASHRAE, IES and USGBC.

Hamilton ASHRAE Chapter Seeking New Webmaster

Over the years, the executive of the Hamilton ASHRAE Chapter has discussed the possibility of "enhancing" the chapter's web presence.

As the current "home page editor" (I'm certainly not a "webmaster"), I do not have the knowledge, skillset or

time to be able to tackle such a project. However, there are no doubt people (who are very likely younger than I am) on the distribution list who have the skills and interest and could contribute a few hours a month in support of such a project. If so, please let us know.

*Submitted by Allan Antcliffe, P. Eng.
Homepage & Airways Editor 10/11*

2010 – 2011 Meeting Schedule

This year's meeting schedule is summarized below. Except for some special events, all meetings will be held at the Royal Hamilton Yacht Club, at the north end of McNab St., on the Hamilton Harbour (If you need a map, visit our web site). New products and/or services may be presented informally via a "technical session" or a "table top demonstration" prior to dinner. After dinner, the main topic of the evening is presented by the "feature speaker". If you are interested in presenting a technical session, booking table top space to promote your product and/or service or, if you have a suggestion for a feature subject and/or speaker, please contact Terry Fowler (Programs Chair). There is a charge of \$75.00 for "table top demonstration" space and this includes a business card ad for two months.

ASHRAE Hamilton Chapter Program Activity			
Date	Theme	Technical Session /Table Top Demonstration	Feature Speaker
June 15, 2011 (not 2nd Tuesday)	Social/ Research	Annual Golf Tournament Legends on the Niagara – Battlefield Course Niagara Falls, ON	
Sept. 13, 2011	???		to be determined
