## **President's Report**

On Tuesday, November 13<sup>th</sup> we held our third meeting at the Grand Valley Golf Club in Cambridge, ON. In our efforts to reach out to the membership at large, we are trying to move the meeting locations around to the best of our ability. As typically, we welcome many participants from the Cambridge area. My thanks to the staff, Frank and John for making the arrangements and ensuring the meeting went smoothly.

On behalf of chapter, I would like to extend special thanks to our guest speaker, Mr Bill McCartney, Director, Commissioning Services, at Isotherm Engineering Ltd. The feature presentation was on the building environment and how to keep the environment green many years after the installation is complete. Confirmation that the total building continues to perform at the same or a better level than when it was built and commissioned is imperative. Bill covered the various aspects of the construction process and how the commissioning process and advice ensure the built environment continues to operate at peak performance throughout the life cycle of the building. I would also like to thank all the members that attended the meeting. We hope that this meeting was informative and you benefitted a great deal from the topic and the items covered.

As mentioned on the cover page, our next meeting will be a social event in honor of the Past Presidents on Sunday, December 2<sup>nd</sup>, 2012 at Flamboro Downs in Hamilton starting at 5 pm. Dave Rasmussen has been working very hard to ensure the event can be as successful as has been in the past 8 years. The flyer and contact information is at the end of the Airways. Please ensure you keep the date open and invite your co-workers, family and friends to join us for this event (must be 19 or older).

The next formal event will be on January 8<sup>th</sup>, 2012 and will involve a tour of the central utilities plant at the University of Guelph. Please mark the date on your calendar – more information to follow.

Finally I am looking for suggestions and insight into the preferences on our programs and meeting from our membership. Please feel free to contact me if you have any suggestions.

Best Regards,  
*Reaz Usmanali, LEED AP, President 12/13*

## **George & Gail Menzies Celebrate 50<sup>th</sup> Anniversary**

Congratulations go out to George & Gail Menzies, who celebrated their 50<sup>th</sup> wedding anniversary on October 13<sup>th</sup>. Many happy returns from the ASHRAE Hamilton Chapter.

George and Gail have both been very involved with ASHRAE over the years.

*Submitted by  
David Rasmussen, C.E.T., Social Chair 12/13*

## **Next Meeting Tuesday, January 8, 2013**

The January meeting will take place in Guelph (near the university) on Tuesday, January 8, 2013. The event will include a tour of the central utilities plant at the University of Guelph. The venue for dinner has yet to be determined.

## Position Advertising in "Airways" Bulletin

Position advertising is now available in the "Airways" Bulletin. The cost will be \$85.00 per (reasonable sized) insert and will run for a period of 3 issues (unless the position is filled). Alternately, we will send out your ad as an "e-mail blast" (one time) to everyone on the ASHRAE Hamilton Chapter distribution list.

Any advertising insert **MUST** be provided as a single .jpg file. You can scan your ad and send me the file or provide me with a hard copy which I will scan and insert.

*Submitted by  
Allan Antcliffe, P.Eng.  
Homepage & Airways Editor 12/13*

## Business Card Advertising in "Airways" Bulletin

As always, you can place a business card ad in the "Airways" Bulletin. The cost will be \$85.00 per card (\$170.00 for a double sized ad) and will run the balance of the year (until the June issue).

Your business card ad **MUST** be provided as a single .jpg file. You can scan your business card and send me the file or provide me with a business card which I will scan and insert.

Allan Antcliffe, P.Eng.  
Homepage & Airways Editor 12/13*

## ASHRAE News Releases

### ASHRAE to Hold "Breaking News" Standards Update at 2013 Winter Conference

ATLANTA – "Extra! Extra! Hear All About It!" Attendees at ASHRAE's 2013 Winter Conference will be the first to learn about the latest goings-on related to Society standards as part of the technical program.

### Developed by ASHRAE, ASPE, AWWA, USGBC Water Conservation Standard Opens for First Public Comment

ATLANTA – With HVAC&R systems accounting for approximately a third of water consumption in a typical office building, the need to minimize water usage is a major consideration in the built environment industry.

## 2012 – 2013 Meeting Schedule

This year's meeting schedule is summarized below. New products and/or services may be presented informally via a "technical session" or a "table top demonstration" prior to dinner. After dinner, the main topic of the evening is presented by the "feature speaker". If you are interested in presenting a technical session, booking table top space to promote your product and/or service or, if you have a suggestion for a feature subject and/or speaker, please contact John Molnar (Programs Chair). There is a charge of \$75.00 for "table top demonstration" space and this includes a business card ad for two months.
