President's Report

Once again, we were back at the Royal Hamilton Yacht Club for our May meeting. This meeting was the final formal meeting of the year. The meeting was held on Tuesday, May 7th, 2013. In addition to the main meeting, we had a table top demonstration and a short presentation by Dave Sage from Kildonnan Energy on VFD drives for the HVAC Industry.

This augmented well with our main topic for the meeting. Our feature speaker, Rob McKenna, Product Manager at Regal Beloit Canada, discussed the main motor types stressing the importance of ECM motors and the changing role they now play in our industry. How they work, some of the features and benefits and the potential for operational cost savings with quick return on the investment.

On behalf of the executive committee and members, I would like to extend our sincere thanks to Mr. McKenna and Mr. Sage for their presentations and also thank the staff at the RHYC for the dinner and accommodation.

Our next and final event for this year will be our annual golf tournament on June 12th, 2013 at the Whirlpool Golf Course, Niagara Falls. As usual Mr. Golf himself, Dave Rasmussen, will be in charge of this event. There may be a few spaces remaining so please contact Dave at tigerdave60@yahoo.ca if you are interested in attending. Directions, etc. are included in the newsletter.

Finally, I am looking for suggestions and insight into the preferences on our programs and meetings from our membership for the next ASHRAE year. We are now into our planning stage for next year so please feel free to contact me with any suggestions or ideas you would like to see from the chapter.

Best Regards,
Reaz Usmanali, LEED AP, President 12/13

Next Meeting Tuesday, Sept. 10, 2013

The fall "season" will kick off with a meeting on Tuesday, September 10, 2013. The location and feature speaker are yet to be finalized.

ASHRAE Hamilton Chapter Golf Tournament

Whirlpool has asked me to publish a few rules and regulations prior to our Wednesday, June 12th golf tournament:

1. Ontario Law does not allow Alcohol on the Course. Personal coolers will be confiscated and will be added to their collection.
2. Please use the halfway house between 9th and 10th Hole. Please do not go to the Clubhouse until you complete your round.
3. Collared shirts are mandatory for both men and women.
4. No denim pants, shirts or shorts or sweat pants.
5. Shorts are permitted but must be dress shorts and "Bermuda" length.
6. Soft spikes only.
7. The Marshall is there to assist . . . not criticize. Please be courteous to him and he will be courteous to you.

As of this writing, I have room for one (1) more foursome. Contact me if you are interested.

Submitted by
David Rasmussen, C.E.T., Social Chair 12/13

Position Advertising in "Airways" Bulletin

Position advertising is now available in the "Airways" Bulletin. The cost will be \$85.00 per (reasonable sized) insert and will run for a period of 3 issues (unless the position is filled).

Any advertising insert **MUST** be provided as a single .jpg file. You can scan your ad and send me the file or provide me with a hard copy which I will scan and insert.

ASHRAE News Releases

Building Energy Labeling Program Expanded

ATLANTA – A building energy labeling program that allows the industry to zero in on opportunities to lower building operating costs and make informal decisions to increase value has been expanded to include an As Designed label.

Proposed Systems Manual Guideline Open for Public Review

ATLANTA – A proposed guideline that will establish a uniform procedure for transmitting design, construction, testing and operational information to building owners and operators is open for public comment.

Carbon Monoxide Alarms Required, Default Leakage Rate Removed in New ASHRAE Residential IAQ Standard

ATLANTA – The newly published 2013 version of ASHRAE's residential indoor air quality standard removes the default leakage rate assumption and also requires carbon monoxide alarms.

2012 – 2013 Meeting Schedule

This year's meeting schedule is summarized below. New products and/or services may be presented informally via a "technical session" or a "table top demonstration" prior to dinner. After dinner, the main topic of the evening is presented by the "feature speaker". If you are interested in presenting a technical session, booking table top space to promote your product and/or service or, if you have a suggestion for a feature subject and/or speaker, please contact John Molnar (Programs Chair). There is a charge of \$75.00 for "table top demonstration" space and this includes a business card ad for two months.
